We hope to see you and your family this August at the Havelock Country Jamboree, for a great weekend of fun and music with your favourite Country Stars. And remember...

This is as close as you'll get to Branson or Nashville in Ontario!

THINGS to BRING:

We thought it might be useful if we posted a list of "Things To Bring". We have received a lot of useful ideas through the years from some very experienced campers.

- **Lawnchair**
- **Blanket or Tarp** for ground cover
- **Flashlights**
- **Sun Glasses/Sunscreen/Hat** (for the hot and sunny days)
- **Moist Towelettes/Baby Wipes** (for your trips to the portable toilets and also great for washing your hands after eating barbecue ribs!)
- **Rain Coat - Warm/Dry Clothes** (for the cool evenings or rainy days)
- **Cooler with Drinks and Snacks** (no glass containers please)
- **Comfortable Shoes** (Havelock Country Jamboree is a very big place and you'll very likely do a lot of walking)
- **Tylenol, Ibuprofen, etc.** For when the sun gets to you. (some people also bring Pepto Bismol/Gravol/Visine)
- **Camera and Film**
- **Food** (Be sure you have facilities to cook your food. If you have a generator, most trailers have an outlet to plug in an electric frying pan or a hotplate. If you don't have a generator you can bring a barbecue to use for cooking purposes) Remember we provide rough camping which means no hydro or water hook-ups available. For information regarding use of generators, please see our ["Rules"](#) page.
- **First Aid Kit** (Just in case of an emergency, it is helpful if you have brought a few things such as bandages, etc.)
- If you are thinking of getting autographs of your favourites artists, you may want to bring a **black magic marker** so you are prepared..
- **It is very important to bring a desire to have a great time.**
- If you are coming early to mark off your camping spot please bring **caution tape** with you.
